ST. PAUL LUTHERAN MISSION STATEMENT:

*Empowered by the Holy Spirit to make Christ known;
As we love one another, serve our neighbor, and grow in our Faith
through studying God's Word and Worshiping God*

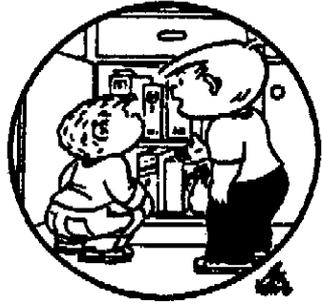

I like to read when I get a chance, and I read from a variety of sources: news, novels, documentaries, history, historical fiction, and religious books, newsletters, periodicals, and, of course, daily scripture reading. I came across some short sayings and words of wisdom that I would like to pass on to you. Each has a message. Some have to be taken with a grain of salt. I borrowed them all and cannot take credit for them.

- ☞ If you were another person, would you like yourself for a friend?
- ☞ If you want your children to turn out well, spend twice as much time with them, and half as much money.
- ☞ The person who never makes a mistake must get tired of doing nothing!
- ☞ Frequent naps will keep you from getting old, especially if you take them while driving.
- ☞ Some people take the money and run. Politicians run and then take the money.
- ☞ If the pastor is good, he deserves his weeks of vacation. If he is not, the congregation deserves it.
- ☞ Excuses satisfy only the ones who make them.
- ☞ A person may make mistakes; but he isn't a failure until he starts blaming others.
- ☞ When you ask someone if they can keep a secret, you are asking them to do something you cannot do yourself.
- ☞ The idea some seem to have of service is "Serve-us".
- ☞ Some grumble because they don't get what's coming to them, others because they do.
- ☞ If you want a place in the sun, you have to expect some blisters.
- ☞ A modern house is one where a switch regulates everything but the children.
- ☞ You are only poor when you want more than you have.

☞ Do not be angry that you cannot make others to be as you wish them to be, since you cannot make your own self to be as you wish to be.

FAMILY CIRCUS

"Conscience is like Mommy tellin' you not to do some-thin', but she isn't there."

Your Pastor
Tim W Muehlbrad

Dear St. Paul Lutheran,

Back in January, I had different plans for what our August would look like. I was going to roll out our Wednesday night youth program. Ask Pastor Tim how much I pestered him about hosting these bible studies at parsonage number two. In his wisdom, he finally told me that I need to remember teenagers are

clumsy and messy. My response was I did not want to clean up after nor pay for anything that might have broken so the fellowship hall it is. At least that was the dream.

Now I have to adapt or wait. I am an impatient man so I have decided to adopt. Wednesday, August, 5th I will be posting a short five to ten-minute video lesson. High school kids do not have Facebook. For them, that is old media. I don't want to make a church Snapchat or Instagram account to chase these kids. Parents, I need your help in just texting our teenagers the video link. Follow that up by asking them "so what did Nicholas say in the video?" One video between five to ten minutes is not much time, however, I need your help with the follow-up. Hence asking them what they heard. It would be even better if you watched the video with them. Once this covid

mess clears up and we can reconnect in person we can meet for the normal one hour with dinner routine of a youth night. In the meantime I want St. Paul in the rhythm of something being done on Wednesday nights.

Why not use Zoom to meet with the youth?

1. The internet in this area is terrible.
2. I don't want to stare at unenthused kids for an hour.
3. Honestly, I don't know how to use Zoom.

That is all the updates I have for you St. Paul! Please continue to pray for us as a church and as a community. Please continue to pray for our leaders in the country. Also if you would like your child (12 & under) to be in the children's sermon video please let me know. I can give you instructions on how to record your child. Hope you all are remaining in the faith. God bless and goodbye.

Peace

Family & Youth Director

Nicholas Requejo

Newsletter deadline is Thursday, August 20, 2020. Make sure you get your articles in!

Christian Life has been missing everyone, so we have come up with some fun ways to connect!

- A weekly e-mail will be sent with fun questions such as “What is your favorite church activity from childhood,” “What is your favorite church potluck recipe,” or “Show a picture of your favorite cross.” This will give us a great opportunity to get to know each other better. One question will be sent each week. You always have the option of passing on a question and can respond any time during the course of the week. If you want to participate, share your e-mail with Katie at the church office or with Cathy Moritz at clowncam@hotmail.com or at 830-305-8628. We will only be sending this to someone who has expressed an interest. It will not be automatically sent to everyone with an e-mail address on file. The first sharing item will be sent on 7-22-2020.
- We miss the socializing time after church so will be making phone calls to reconnect with our church family. It is amazing how many people we only get to see at church! If anyone is interested in being part of the Reconnect Team, please let Cathy know.
- On August 7th, we will be having a Family Movie Night. Snacks begin at 6:30pm and the movie starts at 7pm. For everyone’s safety, we will be social distancing and wearing masks. Sign up is required because space is limited. Call Katie or Cathy with your name and the number that will be attending. If we have a large number who sign up, we will offer a second showing on another day.

We realize that congregational members have lots of interests and talents. Therefore, we are also tossing around additional ideas for the near future so stay tuned!

We keep in our prayers the family and friends of:

Junell Goehring – who passed away
July 12, 2020. Graveside service was held
July 15, 2020.

May the power of the resurrection continue to provide them assurance.

What's happening at The Learning Garden!!

TLG Update:

We are hanging in there. COVID-19 is starting to take its tolls on us. More staff or families are becoming exposed, so we are feeling the effects. We had to close our Infant Class for 14 days due to a positive case and quarantine 3 other staff members due to Exposure. This just shows it does not matter how much you follow policies and procedures in our building it is what happens outside of the center. We wear masks, take temperatures, sanitize, disinfect, wash hands, etc. here at the center however, it is up to the staff and families to practice social distances and safety when outside of the center. Prayers are appreciated for all of us.

We are working on Fall enrollment and waiting to see what YISD will decide. This will help us get a better count for our prekindergarten and after-school program.

God Bless,
Tracie Fielding, Director
The Learning Garden Board
